PIRATE SCOUTING ORGANIZATION

For the sixth consecutive year, the Pirates are one of the 17 participating members in the Major League Scouting Bureau, headed by Jim Wilson, former General Manager of the Milwaukee Brewers. A staff of 61 scouts in the United States will do the field work for the Pirates and the other 16 clubs. The information they gather for the semi-annual Baseball Drafts is fed into a computer in Newport Beach, California and relayed by a computer system to the member clubs. The Pirates have retained the following scouts to evaluate recommendations of the Bureau's staff:

PIRATE
FRONT OFFICE PERSONNEL

HARDING PETERSON
Executive Vice-President

It was Harding "Pete" Peterson's trades which carried the Bucs out of the classification of the contender and delivered them into the ranks of World Champions. His acquisition of Tim Foli and Bill Madlock added defense and much needed righthanded power to the Pirates line-up.

Pete, a native of Fords, New Jersey and a graduate of Rutgers University, has spent over 25 years in the Pirate organization as a player, manager, Farm Director and Scouting Director. While at college, Pete led the 1950 Rutgers Baseball team to the NCAA College World Series.

Pete was signed by the Pirates after his graduation from Rutgers but his career was interrupted by the Korean War. He spent four years as a Pirate catcher until a broken arm suffered in a home plate collision hastened his retirement as a player.

He managed nine years in the Pirate farm system before moving into the front office in 1967 as Minor League Director, and he also became Scouting Director in 1968.

On October 4, 1976, he was named Vice-President/Player Personnel, then on January 18, 1979, was elevated to his present position, in which he oversees the entire Pirate organization.

The 50-year old Peterson and his wife, Gladys, have two children: a daughter, Amy and a son, Rick, who is a coach in the Pirate farm chain. The Petersons make their home in Mt. Lebanon.

JOSEPH M. O'TOOLE
Vice-President/ Administration

Joe O'Toole has long been a part of the Pittsburgh sports scene.

Born in Pittsburgh on January 4, 1925, he is a graduate of Schenley High School, and served as the student manager for the football and basketball teams there. During the late 1930's, he often frequented Forbes Field as a newsboy.

O'Toole joined the Pirate organization in 1946 following four years of service in the Merchant Marine during World War II.

He served as Traveling Secretary and Business Manager for the Pirates' farm club in New Orleans from 1949 to 1952, before rejoining the parent club in the Public Relations and Promotions Department. He was named Ticket Manager in 1953 and he held that position until 1955. He became Assistant to General Manager Joe L. Brown in 1956 and served in that capacity until assuming his present post on October 4, 1976.

O'Toole was responsible for the development of Pirate City, the Bucs' million dollar 149-acre Spring Training facility in Bradenton, Florida; and he was the Pirates' co-ordinator in the design and construction of Three Rivers Stadium.

He and his wife Betty have two sons, Dennis and Gary. They reside in Westwood.

JACK SCHROM
Vice-President/Public Relations and Marketing

Jack Schrom directs the Pirates' Public Relations, Promotions, and Group/Season Sales Departments.

Schrom had resided in Columbus, Ohio since 1970. He was employed by Xerox Corporation, and for five years, was involved in the advertising agency business. Prior to joining the Pirate Front Office on January 18, 1979, he served as General Manager of Trends and Associates, a Columbus-based advertising firm.

His previous activities in the field of sports include acting as Account Executive for Muirfield Village, site of the Jack Nicklaus Memorial Golf Tournament, and serving as Publicity Chairman for the LPGA Borden Classic, played at Riviera Country Club in Columbus. He helped coordinate the successful television syndication of Ohio State University basketball, setting up a six-station network that covers most of the state of Ohio and part of neighboring states.

He attended both undergraduate and graduate schools at Ohio University, from 1963-69, acquiring a degree in Journalism/Advertising with a graduate minor in Sports Administration.

While at Ohio U., he played varsity golf for three years, and coached the school's freshman golf team in 1968.

The 34-year old, Youngstown, Ohio native resides in the Mt. Washington section of Pittsburgh.
